WEDDINGS/RECEPTIONS

Imagine having a fall or winter event in a beautiful summer environment. The Conservatory offers a beautiful and exquisite atmosphere for any event any time of the year. Whether you opt for the Foyer, Display Area, Palm House or the former restaurant space, you'll have an unforgettable event and never have to worry about inclement weather!

Timing

Wedding ceremonies are booked in one or two-hour time slots in the Display Area only. Within your allotted time all set-up, your ceremony, photography and take-down must occur. The booking of a two-hour wedding ceremony includes a one-hour rehearsal. The rehearsal must be booked in advance with the Events Office. Wedding ceremonies booked for one-hour DO NOT include a rehearsal. Additional fees will apply if a one-hour wedding wishes to book a rehearsal. Signage will be put up to note that a wedding is in progress and the public is respectful upon entering the area.

Your group must arrive on time as time slots are booked back to back. Arriving late may result in less time to use for your event booking.

Receptions

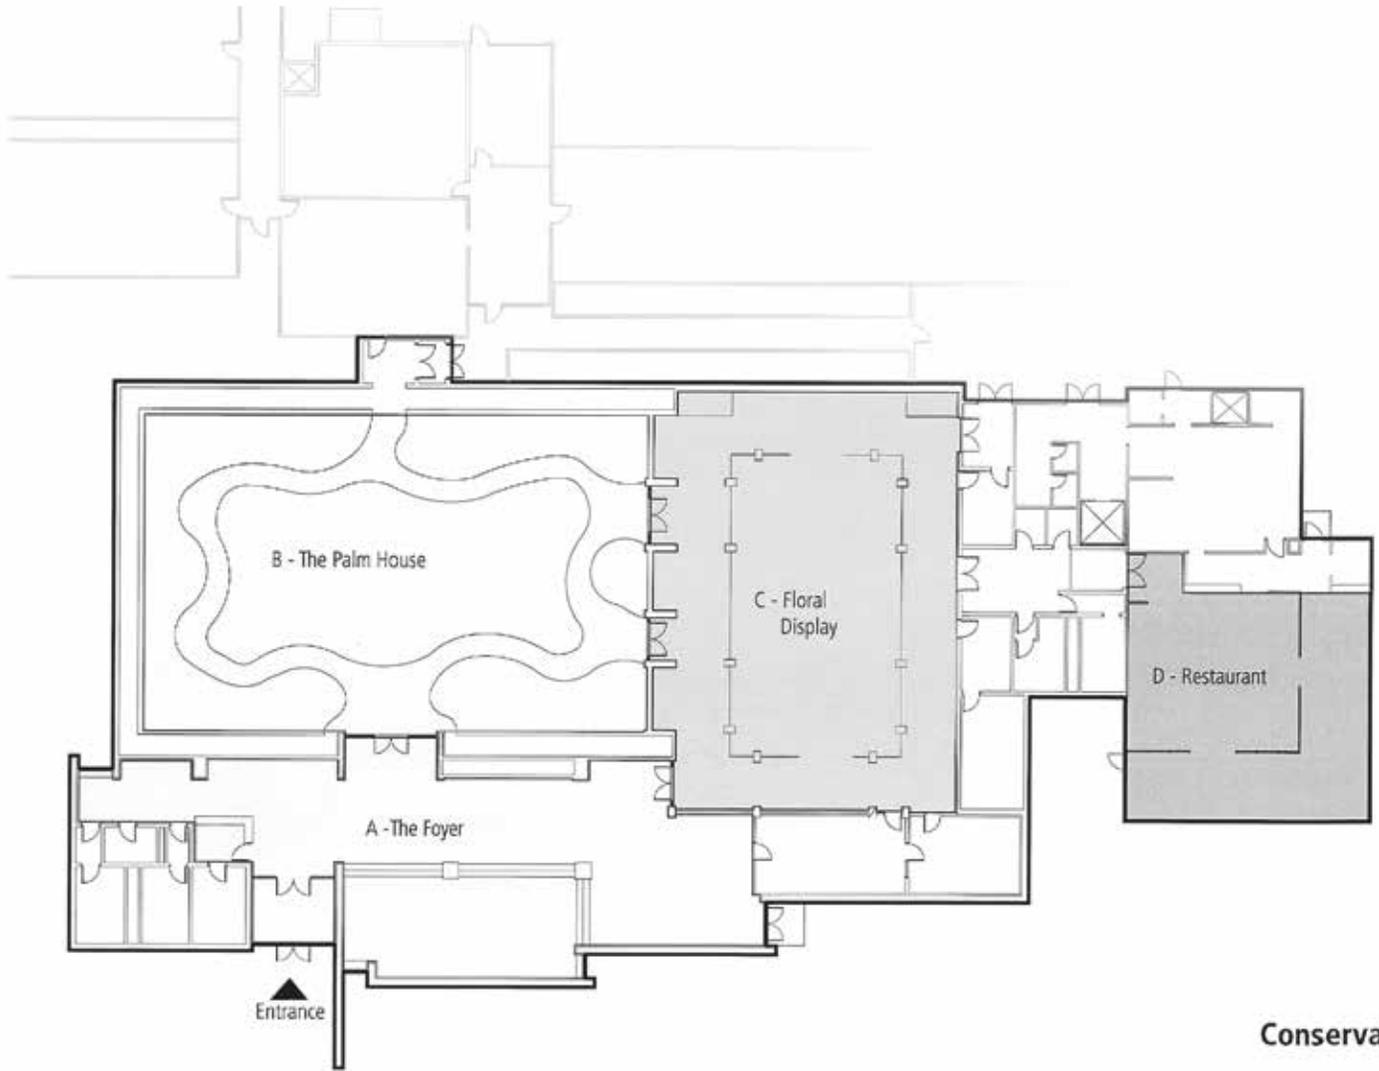

The Conservatory Foyer is a perfect location for a stand-up cocktail reception or formal sit down dinner for wedding receptions. Your guests can also mingle in the tropical Palm House and Display Area.

Capacity

The Display Area can accommodate approximately 40 people standing. There are benches in the Display Area for seating. The moving or removal of benches requires consultation with the Events Office staff, who will make the necessary arrangements. After hours, the entire building accommodates up to 300 people for a standing reception and the Foyer can accommodate up to 100 people for a sit-down dinner.

Services Provided

- Chairs and tables
- White table linens with a choice of a colored napkin
- Skirting for food tables
